PERMISSION TO SEEK TREATMENT

I give my permission to the adult staff of LUTHERAN YOUTH CAMP to seek out medical aid for my child in the case of an emergency, at my own expense.

WAIVER FOR USE OF PHOTOGRAPHS

As a condition of my child's participation in Lutheran Youth Camp, I grant Lutheran Youth Camp perpetual and non-revocable permission to use my child's photographs and video in which their image and likeness appears in connection with their participation in Lutheran Youth Camp and further grant permission to display, publish, distribute, use, print and reprint such images and likeness, and the right to employ such images or likeness in advertising and promotions relating thereto.

Read in entirety:
I further acknowledge that I have read "Permission to Seek Treatment" in its entirety and fully understand the rules, regulations, and policies under which my child may attend Lutheran Youth Camp.

CAMP CLASSES

Woodcrafts (All ages): Woodcrafts encompasses the construction and painting of pre-cut wooden projects. Each year has a different project coordinated with the theme of the camp in addition to the ever-present birdhouse. Campers will use various hand tools to make the project.

Arts & Crafts (All ages): Arts & Crafts will include other crafts which do not require the use of construction tools. This could include any number of crafts from weaving to working with clay.

Guitar/Ukulele (All ages - 8 spots available): Campers will learn the different parts of the guitar and how to tune it. They will also learn several root chords and strumming techniques. Acoustic guitars will be provided but campers may bring their own if they choose.

Drama (All ages): Campers will write and perform skits based on this year's camp theme and will perform them at Thursday night's Camp Revue.

Soccer (All ages): Campers will be divided in different classes based upon skill level and be taught techniques from a certified soccer coach. Whether completely new to the game, or a skilled player, the campers will certainly advance their skills on the soccer field. The camper must bring shin guards with them and cleats if they have them. Tennis shoes will be just fine if they do not have cleats.

Games (All ages): This class includes the participation in various camp games from eagle's nest through whatever crazy game our games coordinator comes up with to match this year's theme.

Fishing (all ages): Campers will learn about different types of hooks and bait, how to string a hook, the different types of fish, and, of course, plenty of practice with the rod.

Swimming lessons (all ages): If a camper does not yet know how to swim or just wants to learn to swim better, they can learn at camp. A certified swim instructor will teach them how to swim and float in open water.

Camp project (all ages): Campers will get to work on a project for the camp to stay at camp. This could include building benches for the campfire or building a low rope course.

First-aid (ages 10 and up): Our camp nurse will be teaching the Stop the Bleed course. Campers will learn the basics of first aid and receive an official certificate upon completion.

Survival (ages 10 and up): Campers will learn the basic skills of survival such as fire building, shelter making, nature's provisions, etc. They will learn how to take things found in nature and use it to their advantage for basic necessities.

Canoeing (ages 10 and up) : This class will teach campers the parts of a canoe and how to maneuver it in open water. Life vests will be provided, but if your child has one that they prefer, they may bring it.

Pinewood Derby (all ages): Campers will build their very own pinewood derby car and race them for all to see on Friday.
